A tourist facility with 21 accommodation units awaits you here, with communal areas such as reception, offices, a heated swimming pool, a gym, a sauna, a Turkish bath and an elegant restaurant.

In addition to the existing buildings, there are already municipal authorisations for the construction of two new detached houses. With 4 bedrooms, bathrooms, en suite, an entrance hall, a living-dining room, a kitchen and a hallway, you will be offered the highest living comfort. In addition, there is an outbuilding with garage, laundry room, utility room and toilet as well as a swimming pool and terraces.

The second projected house offers 138 m<sup>2</sup> on the ground floor, plus 11.37 m<sup>2</sup> of veranda. With 3 bedrooms, en suite bathrooms and a similar layout to the first house, you can expect a dream home in an idyllic setting. Both the first and the second house have all the necessary licences and offer you a unique opportunity to relax in the midst of nature and enjoy the luxury of country living.
