Welcome to your new home in the heart of the city! This charming townhouse for families and couples impresses with its completely renovated and modern furnishings. Enjoy the harmonious interplay of historical charm and contemporary living comfort. A cozy and stylish ambience awaits you here, inviting you to relax and feel good. Welcome to your new dream home!

The charming town of Algaida, located in the heart of Mallorca, impresses with its picturesque landscape and tranquil atmosphere. With a supermarket, doctors and pharmacies in the immediate vicinity, daily needs are easily covered.

For families with children, Algaida offers a variety of educational facilities: from kindergartens to primary and secondary schools, there is something for every age group.

In their free time, residents can enjoy the idyllic surroundings and relax in the vicinity of parks and green spaces. The lively town center invites you to stroll and linger, while the nearest larger town is only a few minutes away and offers a variety of shopping and entertainment options.

The connections are excellent: the nearest bus stop is within walking distance and the highway access nearby provides quick access to other parts of the island.

This location combines the convenience of city life with the tranquility and beauty of the Mallorcan countryside.

Welcome to your new home in Algaida, the newly renovated townhouse that combines modernity, tradition, luxury and comfort. The house impresses with its 400 square meters of usable space made of natural stone with elegant glass and wooden elements.

Upon entering the house, you are greeted by high and spacious rooms, including two living rooms, a country kitchen, four bedrooms and four bathrooms. Enjoy the sunny days in the patio with pool and BBQ area or relax on the sun terrace.

There is a communal parking space for your vehicle nearby or you have the option of renting a parking space just 60m away. This townhouse has an ETV vacation rental license, which offers you a wide range of possibilities.

In addition, the house has a garden, heating, central heating, a basement and air conditioning for your comfort. Immerse yourself in the idyllic ambience of this charming townhouse and experience a unique living experience.
